Adopt-a-Rose

The Heritage Rose Garden is a unique collection of 3,600 antique and modern roses. The garden contains more varieties than any other rose garden in the western hemisphere.

You can adopt a rose for \$60 (with gift package), \$50 (with NO package) A plaque is placed in front of the rose with a personal inscription from the donor.

The garden is maintained primarily by volunteers, with assistance from the City of San Jose. Your adoption helps us support these volunteers and pay for signage.

The garden is open daily from dawn to dusk and there is no admission charge.
