

Team Building and Community Service Opportunities Guadalupe River Park & Gardens

Looking for a fun, rewarding outdoor experience for your team?

Guadalupe River Park Conservancy is a non-profit organization that provides community leadership for the development and active use of Guadalupe River Park & Gardens in downtown San Jose.

We offer a unique team building environment for your group that incorporates the park's Heritage Rose Garden, three-acre orchard, hiking and biking trails, and much more.

We will work with you to find the right project for your group and then provide an orientation and training that day. Our year round activities can last three hours or a full day and vary depending on the season and current needs. We are able to accommodate just about any sized group, and tasks can include:

- Trail maintenance
- River clean-up
- Event preparation
- Rose garden projects
- Orchard projects
- Refinishing park benches
