

Worms and Squirms

4th Grade Field Trip to Guadalupe River Park & Gardens

Explore one of Silicon Valley's most precious natural resources – the Guadalupe Gardens

- Explore a bin of red wigglers to see these mighty recyclers at work.
- Learn about the mixed-up anatomy of a worm from their five hearts to their need to eat rotting food.
- View the worms and their cocoons up close and personal
- Discover the partnership between plants and wriggling worms

Each child will take home a planted seed.
