

Nature Navigators

5th Grade Geocaching Field Trip to the Guadalupe River Park & Gardens

Explore one of Silicon Valley's most precious
natural resources

- Discover navigation tools past and present
- Use handheld GPS units (provided) to find your latitude and longitude
- Find educational treasure boxes or caches
- Complete challenges and stamp your geocaching passport

CALIFORNIA 5TH GRADE STANDARDS

We have adapted customized field trips for different grade levels and can supply the lists of standards for each field trip . All involve solving a series of puzzle caches correctly to find the final cache. Contact us for more information.
