

# River Sleuths

## 1st Grade Field Trip to Guadalupe River Park & Gardens

**Explore one of Silicon Valley's most precious natural resources – the Guadalupe River**

- Conduct a scientific exploration along the Guadalupe River:
  - plants, bugs, birds and weather
- Look into the eyes of the birds with a spotting scope
  - Embark on a habitat hunt
  - Create a native tree bark rubbing collage

*Each child will take home a river activity book.*
